

VONDOM

PEACOCK MACETERO

By Eero Aarnio

The master Eero Aarnio creates his first piece for VONDOM. It is without doubt a unique element due to its amusing and symbolic design, Peacock Collection. Just as its creator describes, peacocks were part of his childhood, even though their country of origin is very far from Finland. Eero's home was very close to the Helsinki zoo, which is located on an island where the peacocks, which were imported from India, were free to roam freely since they could not fly away due to their bad flying skills. The peacocks in the zoo both fascinated and scared Eero, because when they fanned their tails they were bigger than him. Such memories are the inspiration of the creation of this new plant pot with much symbolism for Eero, who naturally named it "Peacock", bringing about a reunion with this figure from his childhood. VONDOM admires the iconic and timeless creations of Eero Aarnio.

Features

Description

Pot made of polyethylene resin by rotational moulding. 100% Recyclable. Item suitable for indoor and outdoor use. Available in different finishes.

Weight

17 Kg

Finishes

SELF-WATERING

Ref. 61001R

Self-watering system included in all planters except those with basic finish

LACQUERED

Ref. 61001F

Lacquered Polyethylene

LIGHT

Ref. 61001W

Translucent white Matt Polyethylene. Includes white light either with CFL bulb or white LED

RGB LED

Ref. 61001L

Translucent white matt Polyethylene. Includes LED light operated by remote control. Colors can be selected or changed automatically (White, red, green, blue, light blue, pink and yellow).

RGB LED DMX

Ref. 61001D

Translucent white matt Polyethylene. Includes LED light operated by DMX512 wireless, allowing the connexion to light control systems (XLR), Wi-Fi routers, home automation, etc.

RGB LED BATTERY

Ref. 61001Y

Translucent white matt Polyethylene. Includes cordless LED light with rechargeable batteries, operated by remote control.
