

PEDRALI[®]
THE ITALIAN ESSENCE

DOME 268

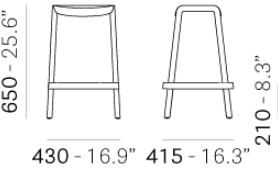

DESIGN:
ODO FIORAVANTI

The Dome stool represents the evolution of a collection able to alternate with a linear and rational structure elements with soft and curved shapes. A stool made entirely of polypropylene molded with air molding gas, with an innovative shape for the rectangular seat with rounded profiles, capable of guaranteeing an ergonomic seat, even with a saddle with a very limited depth. Stackable. Height 760 mm.
