2012

RGB LED COLOURS / RGB LED COLOURS

Material: Polietilene / Polyethylene

Gross Weight: Kg 2,2

Use: **INDOOR / OUTDOOR**

Lampada portatile con luce LED RGB alimentata da una batteria interna. Le dimensioni contenute e la corda colorata che funge da maniglia per il trasporto, configurano "Roaming" come una sorta di lanterna ricaricabile, facile da spostare per portare una luce d'atmosfera in ogni situazione. Disponibile anche con base di ricarica munita di pannello fotovoltaico. Completo di Kit luce.

Portable lamp with RGB LED light with an internal battery. The small dimensions and coloured cord of this lamp, which acts as a handle for transportation, make "Roaming" a sort of rechargeable lantern, easy to move and place in the context of an environment. Available also with a photovoltaic charger. With Light Kit.
